## REFERENCE TO THE PROBLEM OF THE DELIVERY OF "ALBERT's" MATERIALS (1944)

From: NEW YORK

To: MOSCOW

No: 1208                          23 Aug. 44

To VIKTOR.

1. Since as you indicate JULIA[YuLIYa][i] is to occupy herself in the main with processing ALBERT's[AL'BERT][ii] materials [,] we propose also laying on her technical liaison [TEKhNICheSKAYa SVYaZ'] with his office[KONTORA]. Please bear in mind that after LINA's[iii] departure the problem of the delivery of ALBERT's materials will become extremely grave because the only persons constantly going to and fro between the FACTORY[FABRIKA][iv] and the PLANT [ZAVOD][v] [B% are] SERGEJ[vi], ANTON[vii] and AKIM[viii]. SERGEJ's wife comes round here once or twice a month since there is nothing for her to do at the PLANT.

2. At the same time please permit the gradual inclusion in technical liaison between members of the TEN[DESYaTKA][ix] and the OFFICE[KONTORA]
